## GREETINGS

### LLPS family...

Welcome February! In addition to celebrating God's love for us this Valentine's Day, we are taking the opportunity to really celebrate this month's Leap Year Day with fun activities the WHOLE last week of February!

Here are some FUN FACTS about Leap Years:

🐸 It takes the earth 365 days, 5 hours, 48 minutes and 45 seconds to rotate around the sun!

🐸 If we didn't have leap year, after 100 years, our calendars would be off by 25 days!

🐸 The chances of being born on a leap day is one in 1,461!

If your birthday is on Leap Day (February 29<sup>th</sup>), I hope you enjoy getting to celebrate ON YOUR ACTUAL BIRTHDAY!

Everything God created for us shows His splendor & love. I pray that all of you are blessed and reminded of God's unlimited, unchanging love for us - today and every day!
