JULY

GREETINGS LLPS family...

Summer is such an exciting season! The calendar is full of summer activities that showcase summer fun! The children are still learning and reviewing learned academics. Please make sure your little one(s) are in school as much as possible as each class continues to prepare for the Stepping Up/Graduation program held on Friday, August 16th @ IOAM. This event endeavors to showcase the highlights of what each class learned through the current school year & is open to all - family and friends!

Please remember, if you have not registered your little one for the new school year, please do so right away! There are only a few spots left in some of these classes. As always, first come, first served. Your child's spot is not guaranteed unless you have re-registered them!

Be Blessed! ~ Ms. Boniche, Director
