BCA is a blessed institution. You've got to admit...we are an ORIGINAL! And without apologies, thank you. It is a blessing to be a school that still celebrates our differences, yet holds fast to the fact that we come under the umbrella of ONE GOD who loves each and everyone of us.

Our community is honoring our school in their first time ever 'BAYONNE OPOLY' board! BCA will be celebrated on the ten dollar bill! All of the known Bayonne businesses were given this opportunity and we are grateful to be seen as one of the most influential, non profits in this beautiful city! LONG LIVE BCA!

As we close the '23 - '24 school year, I would be remiss if I didn't thank our staff members. They do DOUBLE time and get paid much less than the average public school teacher. They deserve your appreciation as well, since many of them have made a conscious, life time decision to work here!

To our graduates: Please remember all of the lessons you have learned at Beacon. We are and always will be your family! Love you so much!

Rev. Donna L. Kelly
